

Navyug English Medium School

ACADEMIC CALENDAR (2021-2022)

Dear Navyugians,

Navyug always considers its parents, students, ex-students, teaching staff, non-teaching staff and all our well-wishers as family members and we call them as “Navyugians”. In spite of this pandemic situation, we feel, we have tried our level best to keep our blooming children engaged in their academics. Indeed it was not possible without the cooperation of parents and response of students. Our special thanks to you all. As we have often said – to stop passively at one place won't help us to reach to our destination and so in this Global pandemic situation, which has taught us many new lessons, we should not remain stuck but we should move on with fresh energy.

Keeping this in mind we are here with our dynamic school calendar for the academic year 2021-2022. Understanding the unstable environmental conditions, we have planned for blended as well as hybrid learning style for education of the children using customizing approach according to the need of the different levels of children as well as situation. We have included Scholastic as well as Co-Scholastic activities without compromising with syllabus completion. The Examination schedule, important days, holidays, vacation have been mentioned in the calendar. The activities related to various day celebration will be according to the prevailing situation of that time. So though they have been mentioned somewhere are subject to change. We have specially envisioned activities that would enhance the child's life skills from all dimensions. Some activities will be based on the LSRW skills, Spell bee, Exploring Skills, IT Skills, General Knowledge, Quizzes, Numerical, Social, Art Integration and sports integration.

The world today is changing at an accelerated rate where we as an educator have a major role to prepare the children to face the challenges that future holds. Navyug crew is fully equipped and tech-savvy which is the need of the hour. Our teachers have undergone several trainings conducted by CBSE, Google, and some government organizations to deal with the new era of teaching/learning process. We are poised with our plan and expect the cooperation and collaboration from our teachers, parents and student for the successful implementation and results. Let's walk hand in hand to continue our efforts to achieve success.

Regards!

ALL THE BEST!

Adv. Ranjeetsinh Jadhavrao
